

Odam 10's and Covid-19.

- Members intending to ride are asked to express their intention in advance via facebook and confirm they have read the CTT Covid-19 Risk Assessment; available on club website.
- Anyone who feels even slightly unwell or not in normal health SHOULD NOT attend any event.
- Hand sanitiser will be available at the start area and should be used before handling items that may come in contact with others.
- Riders are obliged to observe social distancing guidelines at all times.
- A body number will be provided at the first ride and kept by the member until the end of the series.
- Riders are advised to pin on their own number and avoid too close contact with others.
- No pushing off; riders start with one foot on the ground.
- Start order will be 'as convenient' observing social distancing, regardless of body number.
- Name and number will be noted at the start point with riders to confirm acceptance of CTT Rules and Regulations.
- A working rear light is obligatory.
- Riders wishing to have personal items kept during an event shall bring a suitable bag for the purpose.
- There is to be no crowding around at the finish. Collect your personal bag ASAP and ride home in groups of six or less.
