Course description

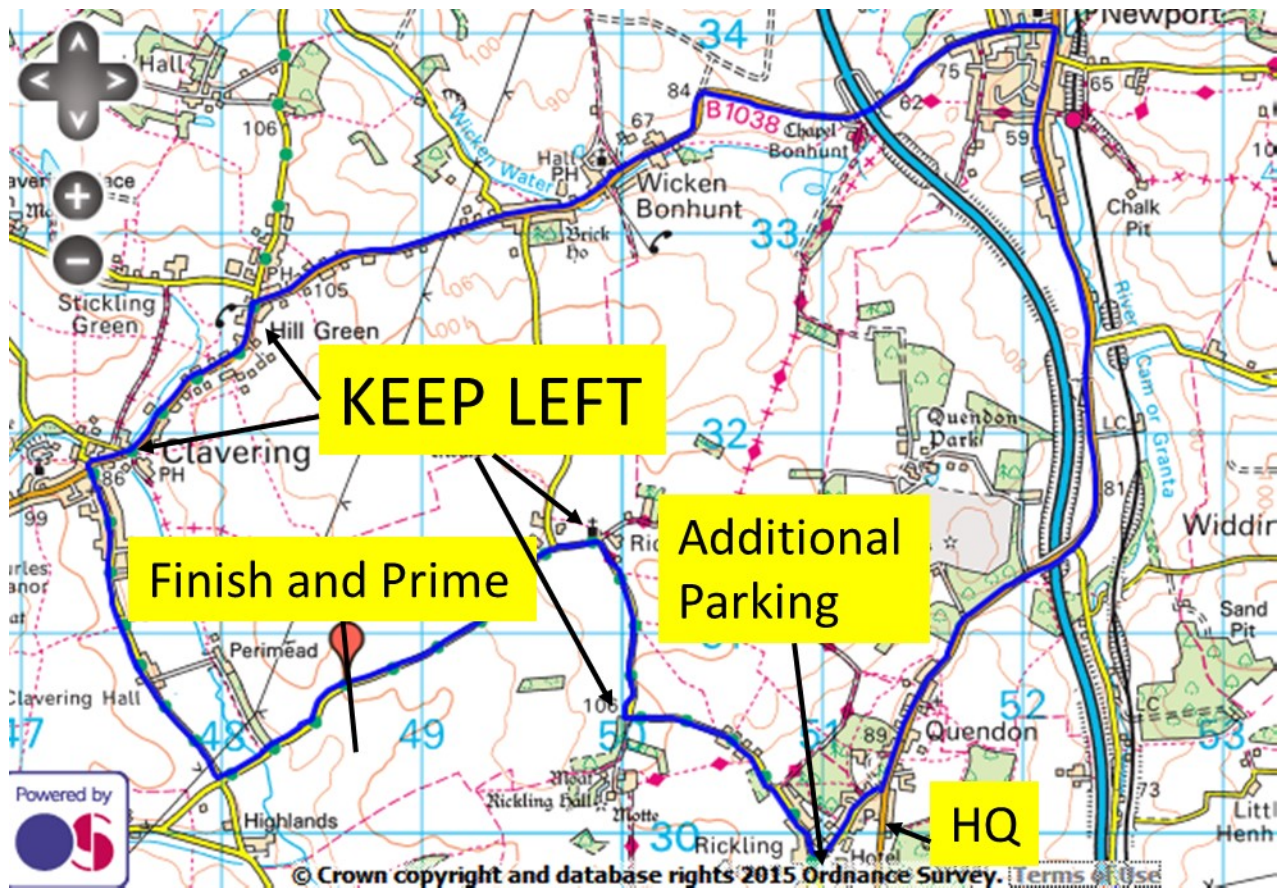

At the junction of the B1383 with Rickling Green Road, take the B1383 towards Newport, passing through Quendon, at Newport turn left onto Wicken Road (B1038), passing through Wicken Bonhunt, continue onto Clatterbury Lane, turn left at Clavering onto Stortford Road, turn left at Berden cross roads onto Brick Kiln Lane to Rickling, turn left at Rickling Green onto Rickling Green Road, turn left at the main road B1383 to complete the circuit. The FINISH and Prime Point is 0.5 mile after turning left at Berden Cross Roads.

10.3 miles per lap. 6 laps (five full laps) = 59 miles (94km)

Notes

Take care on the B1038 through Clavering. The road is a fast twisty downhill. KEEP LEFT as there may be oncoming traffic and you will have little warning of it. Also, although the road has been repaired there is some damage along the centre.

Take care on Brick Kiln lane. This is a narrow country lane and there may be oncoming traffic. KEEP LEFT especially on the sharp right and left turns.
