## Rider Information

**Sign-on opens at 12.15pm and closes at 1.30pm** at which time reserve places will be allocated and entries on the day accepted. On the line entries will be on a first come first served basis at £35 and those seeking EOL should sign-on as soon as they arrive at HQ.

A day licence can be bought for £10 (£5 for Juniors). A single day licence does not earn the rider any ranking points.

Juniors must report to the assistant commissaire for gear checks (from 1.30pm onwards) before they can receive their number.

Any rider falling more than 5 minutes behind the race will be removed.

There will be a broom wagon to help riders who have mechanicals or are dropped to get back to the HQ and/or make repairs but they will not be replacing wheels.

Cambridge CC's men's event is on the same circuit and same HQ in the morning. Please respect their use of the hall prior to our official registration time. A separate women's changing room is available.

Please park considerately. Riders must leave room for the convoy to pass through the car park. Please leave spaces nearest the HQ building for race officials

There will be tea, coffee, and food at the HQ afterwards.

A professional photographer will be taking pictures on the day and these will be made available after the race (details to be provided).

Please remember we share the roads with drivers and locals. Do not throw gel wrappers on the road. Any rider being discourteous to a member of the public will be disqualified and fined regardless of the circumstances.

We look forward to welcoming you on the day.
